

Before the Fat Lady: Is an Encore Career Right for You? (For 2.1.13)

1. Assess your finances. Determine if you can/want to work for personal fulfillment alone or if you need the paycheck along with your personal fulfillment.
2. Ask yourself what are the most enjoyable, challenging and meaningful experiences of your career; identify your interests, strengths and values.
3. Brush up on your skills; see how you can meet the needs of a specific market and make a contribution.
